Lively, fun, 'sick'... these are some of the words our members use to describe Inspire.

Working with young people age 8-19 (25 with additional needs), we transform lives, helping them be the best they can be.

Opening in 2018, we're nearly 5 years old, and in those 5 years, we haven't stopped learning, and we haven't stopped developing. From a global pandemic to the cost of living crisis, we are there for young people when they need us and adapt to their ever-changing needs.

Open 7 days a week when schools are shut, at our most basic, we provide **somewhere to go, something to do, and someone to talk to.** Our 'see it to believe it' facilities give young people access to a range of activities, opens doors to a world of opportunities, and provides the perfect space to develop new relationships with both peers and positive role models.

Through our doors you'll find; a 3G pitch, gym, sports hall, climbing wall, dance studio, music room and much more.

Inspire isn't just be a place to go, it's a place to grow. And that's as much about young people as it our staff team.

There's so many perks to joining our staff team!
