## Lively, fun, 'sick'... these are some of the words our members use to describe Inspire.

Working with young people age 8-19 (25 with additional needs), we transform lives, helping them be the best they can be.

Opening in 2018, we're 5 years old, and in those 5 years, we haven't stopped learning, and we haven't stopped developing. From a global pandemic to the cost of living crisis, we are there for young people when they need us and adapt to their ever-changing needs.

Open 7 days a week when schools are shut, at our most basic, we provide **somewhere to go, something to do, and someone to talk to.** Our 'see it to believe it' facilities give young people access to a range of activities, opens doors to a world of opportunities, and provides the perfect space to develop new relationships with both peers and positive role models.

Through our doors you'll find; a 3G pitch, gym, sports hall, climbing wall, dance studio, music room and much more.

Inspire isn't just be a place to go, it's a place to grow. And that's as much about young people as it our staff team.

There's so many perks to joining our staff team!

# THE ROLE

We are looking for a tech savvy creative individual to run sessions in our Makers Zone Space for the young people of Chorley aged 8 – 19 years old (25 with disabilities).

The purpose built 'Makers Zone' offers a wide range of technical and creative opportunities for young people including, 3D printing, coding, electronics & programming, STEM, moulding & casting and much more. Together with our partners The Making Rooms – (an organisation dedicated to creative and technical training), you will help develop and deliver a diverse and exciting programme of activities aimed at young people aged 8 to 25 years, that stimulates, develops, and meets the needs of young people from all backgrounds and abilities.

You will utilise creativity and technical problem solving in the wider youth work agenda supporting and encouraging young people to express themselves, develop their technical abilities and facilitate personal development by developing their skills through positive engagement and experiences.

## KEY RESPONSIBILITIES

- Deliver exciting and engaging sessions in the **makers zone programme** to enable them to build their confidence, creative and technical skills, social skills and overall wellbeing.
- **Deliver sessions** every Saturday to Juniors (age 7-11), and every other Sunday on a Family Day session.
- **Comply with all policies and procedures**, with particular reference to safeguarding, codes of conduct, health and safety and equality and diversity to ensure all activities are accessible
- Ensure that members maintain a **high standard of behaviour** and discipline during sessions by making the area a hub of activity and fun
- **Enthuse others** including staff, volunteers & young people.
- To make the environment fun and the place to be.
- **Represent Inspire** positively and effectively in all dealings with internal colleagues, and external partners.

- Undertake and **attend regular training and development** sessions and events where required
- To actively **promote** the Youth Zone

## THE ESSENTIALS

- Experience of digital, design or technology skills, such as 3D printing, laser cutting, moulding/casting, coding and electronics
- Ability to engage and build positive relationships with young people including those who may be disengaged / disadvantaged
- Able to adopt an enthusiastic and high energy approach
- Ability to work with young people to enable the development of their social education by providing activity programmes, services and facilities that are fun
- Ability to manage misbehaviour, discrimination and inclusivity
